A passing grade in the payroll courses on this transcript is not an indicator of Canadian Payroll Association (CPA) certification. Students must present a CPA-issued certificate to demonstrate PCP certification.

- The passing grade for all courses excluding Payroll section is 60%.
- The passing grade for courses in the Payroll section is 65%, effective January 1, 2013.
- The passing weighted average for a program is 60%.
- Numerical grades associated with failed courses are recorded and are calculated in the program average.
